

INTRODUCING THE 1ST ANNUAL
Legacy Marching Festival
October 9, 2010
Adams 12 Five Star Stadium

Initial Application and Letter of Intent Packet

Welcome to the 1st Annual Legacy Marching Festival! The Legacy Marching Festival will be hosted at the Adams 12 Five Star School District's Five Star Stadium in Thornton on October 9, 2010. This festival will host up to 27 bands in Preliminary Competition and will host 12 bands for finals competition. This will be a CBA Sanctioned Festival and will follow all CBA rules and guidelines. Finals will run reverse by placement.

A **unique opportunity** with this Festival is a Critique/Clinic with 2 of the judges on the day after the Festival, Sunday, October 10th, 2010. One Music Judge and One Visual Judge will be retained for Sunday and will both spend a half hour with Directors who sign up and pay for their critique. Critique will happen at Legacy High School beginning at 9:00 AM and will last until 1:00 PM. There will be 8 half-hour slots available at a cost of \$75 per band. Directors will spend one-on-one time with the judges, your DVD, and will receive commentary concerning your show. And, **another unique opportunity** is to have a TAPE/COMMENTARY OF YOUR CHOICE from William Chumley (in addition to your regular tapes). This will be an additional fee of \$25.

The entry fee for the festival will be \$300.00 per band and will include a DVD of your performance. Performance seeding will be done by random draws of 4 based on last year's state finals score.

Attached you will find the "INITIAL APPLICATION AND LETTER OF INTENT" for this event. Please fill out this Word Document form and return it via e-mail to reserve one of the preliminary competition places. Then, please obtain the proper signatures and send the completed form with payment to:
