

2011 Legacy Marching Festival
October 15, 2011
Adams 12 Five Star Stadium

Initial Application and Letter of Intent Packet

Welcome to the 2nd Annual Legacy Marching Festival! The Legacy Marching Festival will be hosted at the Adams 12 Five Star School District's Five Star Stadium in Thornton on October 15, 2011. This festival will host up to 27 bands in Preliminary Competition and will host 12 bands for finals competition. This will be a CBA Sanctioned Festival and will follow all CBA rules and guidelines. Performance seeding will be done by random draws of 4 based on last year's state finals score. Finals will run reverse by placement.

A unique opportunity with this Festival is a Critique/Clinic with 2 of the judges on the day after the Festival, Sunday, October 16, 2011. One Music Judge and One Visual Judge will be retained for Sunday and will both spend a half hour with Directors and staff who sign up and pay for their critique. Critique will happen at Legacy High School beginning at 9:00 AM and will last until 1:00 PM. There will be 8 half-hour slots available at a cost of \$75 per band. Directors will spend one-on-one time with the judges, your DVD, and will receive commentary concerning your show (If all spots are not filled, we will not be able to offer this option). And, *new for this year*, we will have a Percussion and Color Guard judge at Prelims to offer commentary specifically for your Percussion and Color Guard sections.

The entry fee for the festival will be \$325.00 per band and will include a DVD of your performance.

Attached you will find the "INITIAL APPLICATION AND LETTER OF INTENT" for this event. Please fill out this Word Document form and return it via e-mail to reserve one of the preliminary competition spots. Then, please obtain the proper signatures and send the completed form with payment made out to "Legacy Band Boosters" to:

The "INITIAL APPLICATION AND LETTER OF INTENT" and \$325 must be received to reserve your performance spot at the festival. The \$75 Clinic fee must also be received with your application to reserve your clinic spot. Registration and any extra fees are non-refundable. Any group submitting after 27 bands will be put on a waiting list. The "Initial Application" may also be obtained at the Legacy Marching Festival website at: www.legacybands.org (click on the "Legacy Marching Festival" button in the upper left hand corner of the opening page).

As this is a CBA sanctioned event, all copyright clearances must be received by the Legacy Marching Festival before your band will be allowed to perform. These forms will be available in the fall when the pre-packet is sent out. Also, because this is a CBA sanctioned event, ALL DIRECTORS participating in this festival MUST BE CURRENT CBA MEMBERS.
